

A detailed cross-sectional view of a mechanical assembly. The assembly includes a main housing (33) with a large rectangular opening (20b) on its side. A curved, U-shaped component (21b) is positioned above the housing. Inside the housing, there is a complex arrangement of parts including a central shaft or rod (30b) with a flange (34) and a spring (53). A series of stacked components (531, 51b, 43, 210, 48) are located at the bottom of the assembly. The drawing uses hatching to indicate different materials or cross-sections.
